Sir:

After entering and considering the Amendment of January 27, 2004, please consider the remarks as submitted herewith. Entry and consideration of this Preliminary Response are respectfully requested.

REMARKS

With regard to the Examiner's comments on the attachment to the Advisory Action dated February 9, 2004, Applicants respond as follows.

In the January 27, 2004 Amendment, Applicant argued that Dinkin fails to disclose that routing information of the Sub-Area Network 104 is listed on a packet of routing information that was previously received by the IN 126 (pg. 10). In the attachment to the Advisory Action, the Examiner acknowledges that Dinkin does not expressly disclose receiving/acquiring a packet containing "routing" information, but contends that France discloses packets of "routing"
